

BUCKET OF JUNK

Entries will be on display in the Exhibitor Building.

We will provide a five-gallon bucket of unique pieces, probably otherwise known as “junk.” All the buckets will include the same number of items and be as close to identical as possible. The goal is to use all the items in the bucket (but not the bucket) in a unique creation. You can cut, clean, sand, weld (adult class only), glue, bolt, bend, paint, or finish the items that were provided BUT no pieces can be added. Zip Ties, Wire, String, and other items for fastening will be provided in the bucket - No points will be deducted if all fasteners are not used.
